

THE GIFT OF HOPE

Dear parents

As you are well aware, we are living in a world where virtual reality is more real than real life itself and a man's worth is measured only by his materialistic success. In such a materialistic and success driven world, the onus to develop in our children a little sensitivity and compassion for their less fortunate brethren lies on the shoulders of today's parents and educators.

With this thought in mind, we have launched the 'The Gift of Hope' – an effort, wherein you are requested to encourage your child to buy something (Stationery items / Games/ any other nonperishable item) for the down trodden, when they buy things for themselves. These contributions are to be given to the class teacher by the child as per the schedule mentioned below

- 14th May' 2017
- 25th July' 2017
- 24th October' 2017
- 21st December' 2017

These contributions will be distributed to the underprivileged in various organizations run by NGOs by the students of the school.

We earnestly hope that you, as parents, will be our constant support and encourage your ward to be a part of this project. It is only TOGETHER that we can make a DIFFERENCE and help our children to grow up as socially responsible individuals.

If you wish to be a part of this noble initiative, please sign and return the consent form latest by 5th May, 2017

We sincerely appreciate your efforts and cooperation.

ARVIND BHATIA
