

A colorful illustration of a rainy day. At the top, there are several light blue, fluffy clouds with raindrops falling from them. The raindrops are depicted as simple blue teardrop shapes. In the center, a large, light blue oval frame contains the text. Below the oval, the scene opens up to a green grassy field. In the foreground, there is a large, light blue puddle. A green frog is sitting on the grass to the right of the puddle, looking towards the viewer with a happy expression. Another green frog is jumping into the puddle from the left. In the background, there are several colorful mushrooms: one with a yellow cap and white spots, one with a red cap and white spots, and one with a brown cap and white spots. A small snail with a brown shell and a green body is also visible on the grass. The overall scene is bright and cheerful, representing a rainy season theme.
