Courtesies & Manners - Sharing

Sharing is vital for building meaningful relationships, fostering empathy, promoting emotional well-being, encouraging personal and societal growth, strengthening communities, addressing social issues, and working towards a more harmonious and equitable world.

Sharing teaches children about compassion and cooperation. It also helps to make new beginnings and true friends. Sharing is necessary to inculcate moral values and life skills in children during the Early Childhood years.

**“IN A WORLD THAT'S BRIGHT AND FAIR,
SHARING SHOWS WE TRULY CARE.**

कौआ और लोमड़ी

एक बार एक कौए को एक रोटी मिली। वह पेड़ पर बैठ कर उसे खाने लगा। सामने से एक लोमड़ी आ रही थी। उसने कौए के मुँह में रोटी देखी और उसके मुँह में पानी आ गया। उसने कौए से कहा " आप बहुत अच्छा गाना गाते हो मुझे भी एक गाना सुना दो " कौआ बहुत खुश हो गया और जैसे ही गाने के लिए मुँह खोला उसकी रोटी नीचे गिर गई। लोमड़ी ने झट से रोटी उठाई और वहां से चली गई।
