Social Skill / Value / Basic Courtesies & Manners :

Respect For School Property

Teaching children how to respect property is a great way to make them understand the importance of taking care of the school environment. Students will be taught not to write on the furniture and walls, to close tap after washing hands, to switch off lights when not in use, etc. Respecting property can be as simple as learning the polite concepts of "please" and "thank you." Use dustbin to throw waste material. Keep your class neat and clean.

Festivals of the Month :

HOLI

Holi is the festival of colours and is celebrated in the Spring Season. It is a festive day to meet others, play and laugh, forget, forgive, and repair broken relationships. The festival also celebrates the beginning of a good spring harvest season. The first evening is known as Holika Dahan (burning of Demon Holika) or Chhoti Holi and the following day as Holi, Rangwali Holi, Dol Purnima, Dhuleti, Dhulandi, Ukuli, Manjal Kuli, Yaosang, Shigmo or Phagwah, Jajiri.

Water guns and herbal colours are used to play for celebrating in an eco- friendly way. Story Narration

The Ant and the Dove

There was an Ant who was very thirsty, so it went to the brook to drink water but the current carried her away down the stream. A dove pulled a leaf and dropped it into the water. The ant climbed upon the leaf and landed safely. One day a hunter tried to catch the dove, the ant saw this and bit the hunter. The dove was alerted and flew away.

मोची और बौने

एक मोची की छोटी सी दुकान थी। एक दिन उसके पास एक जोड़ी जूते का सामान बचा था। उसे काट कर, वह थककर सो गया। अगले दिन वह उठा तो एक जोड़ी सुंदर जूते मेज़ पर रखे थे। मोची बहुत खुश हो गया। नए जूते बेचकर उसे अच्छे पैसे मिले। वह शाम को दो जोड़ी जूतों का सामान ले आया।

अगले दिन, फिर मोची को दो जोड़ी सुंदर जूते बने हुए मिले। मोची को उनके भी अच्छे पैसे मिले। अब ऐसा रोज़ होने लगा। मोची को जानने की इच्छा हुई कि इतने सुंदर जूते कौन बनाता है? एक रात उसने छुप कर देखा कि तीन बौने जूते बनाकर चले जाते हैं। मोची बहुत खुश हुआ, उसने बौनों को धन्यवाद देने के लिए तीन जोड़ी जूते और नए कपड़े बनवाए। अगली रात जब बौनें, आए तो नए जूते और कपड़े देखकर बहुत खुश हो गए।
