MY COUNTRY MY PRIDE

India is my country,
I say it with Pride.
With rivers & oceans,
And Himalayas standing tall in
height.
So many states and languages,
And different religions &
cultures.
My country India,
Has shown to the world-its
WONDERS.

VALUE OF THE MONTH

GRATITUDE AND RESPECT FOR NATION

Gratitude is the healthiest of all human emotions. A simple act of gratitude can make a difference. Therefore, it is imperative to teach the youngest members of our community to cultivate an 'Attitude of gratitude'.

Children must also be taught to appreciate their Nation and the people who add value to our lives with their services.

Respecting our Nation shows that we have integrity and love for our country. It means we all truly love our nation by accomplishing our duties as responsible citizens and bringing everyone together for the common good. We at Bal Bharati have always taken care that all the children inculcate in themselves, the feeling of being citizens of a democratic nation - where everyone is treated as EQUAL.
