**THEME**  
**FAUNA ON EARTH**

**"Animals make the world beautiful and teach us to love  
and protect nature."**

Kids are fascinated by animals and birds, whether they are  
seeing real animals,

reading about them, or doing projects related to animals.

Kids are always attracted to activities that involve animals.

Nurturing the connection by the children at very young age can  
build empathy and respect towards animals. These learning  
experiences

support socio-emotional development amongst children

## FESTIVALS

### TEACHER'S DAY

Teacher's Day The 5th of September holds great significance amongst our students. Every year this day is celebrated as Teacher's Day, the birthday of our former President Dr. Sarvepalli Radhakrishnan, a well-known scholar, teacher, and promoter of education. Teachers have always had a great influence on the life of their students. They have often been referred to as 'Beacons of Life', as they guide us in the formative years of our life. They are instrumental in moulding us and shaping our future.

## Cleanliness

Cleanliness plays a vital role in ensuring that animals and birds thrive in a healthy environment. By keeping their habitats clean, we reduce the risk of disease, prevent harmful bacteria from spreading, and create a safe space for them to grow. Simple acts like properly disposing of waste, cleaning water sources, and maintaining feeding areas can significantly improve their well-being. Showing empathy and care through cleanliness not only supports their physical health but also demonstrates our responsibility toward all living beings. A clean environment is essential for their survival and happiness.

## STORIES

### ANIMALS

Lion King...the King of the Jungle, known for his fearlessness and his special kind & compassionate behaviour (being the king) towards all creatures in the jungle, once decided to throw a party. He discussed this with the Jungle Queen - his wife, (the Lioness), his old parents and his four cubs. The Lion King requested all the family members to meet alongside the bonfire in his den. After supper that night, he wanted everyone to give a serious thought to finalize the guest list for the party. The king just did not want to miss any of the fauna families - the small/big animals, the carnivores and the herbivores, the water fauna (big & small), all insects...and of course the birds.

The invitations went out, and the jungle buzzed with excitement. On the day of the party, the jungle was alive with music and laughter, as every creature celebrated together. The Lion King, standing proudly beside the Jungle Queen, knew the party was a success—not just for its grandeur, but for uniting the entire jungle in harmony.

The party became a cherished memory, a testament to the power of unity and respect in their diverse community.

तोसिया और मिली को एक पेड़ पसंद था। वे उस पेड़ के पास रोज़ खेलने जाती थीं। पेड़ पर एक चिड़िया और इल्ली रहती थी। उनको पेड़ पर बहुत मज़ा आता था। एक दिन ज़ोर से हवा चली। पेड़ कभी दाँएँ कभी बाँएँ झूलने लगा। इल्ली और चिड़िया का घर भी झूलने लगा। इल्ली भी पेड़ के साथ-साथ झूल रही थी। चिड़िया अपने घोंसले से बाहर आ गई। पेड़ बहुत ज़ोर से दाँएँ-बाँएँ झूल रहा था। इल्ली को मज़ा आ रहा था। चिड़िया पेड़ के चारों तरफ उड़ रही थी। थोड़ी देर में हवा रुक गई। चिड़िया को घोंसले में जाकर राहत मिली। तोसिया और मिली फिर से खेलने लगीं।
