## **Value**-Empathy and care for Animals

Empathy means understanding how someone else feels. Just like people, animals have feelings too!

Taking care of animals and being kind to them shows that we understand and respect their feelings. Children should be taught in the formative years to be empathetic towards animals.

They like to feel safe and loved, just like we do.

Animals need food, water, and a clean place to live. Helping to feed and care for them shows we care about their well-being.

**Behavioural Skills**-Rise and be energetic like birds and sleep early like birds. Observe eating patterns of animals and how they work in groups.

Unique animal sounds. Observing animal walks.

**Sewa**-Taking Care of injured animals. Providing separate bowls for grains and water.

**Project-** Animal races, Nature walks, Animal movements, Nest making, distinguishing between animal and birds footprints using clay

**Prasar-** Taking a heartfelt oath to be a take care of animals ,be kind and gentle.

Identify animal sounds.

Classification of different animals , carnivore, herbivore , big and small animals.

Narrating different animal stories and rhymes.

## The Parrot

One day, Madhav was rinsing his mouth in the courtyard. He saw a parrot perched on a stool. Madhav showed Kajal the parrot. The parrot was walking very slowly. It could not fly. The parrot was wounded. Madhav brought water and raw mango for the parrot. It was scared and limped behind the flower pots. Kajal pushed the water and raw mango near it. Kajal and Madhav hid behind the stairs. The parrot pecked at the raw mango and drank water. Kajal and Madhav were overjoyed.

## मज़ा आ गया

तोसीया और मिली को एक पेड़ पसंद था । वह उस पेड़ के पास रोज खेलने जाती थीं। पेड़ पर एक चिड़िया और इल्ली रहती थीं। उनको पेड़ पर बहुत मजा आता था। एक दिन जोर से हवा चली। पेड़ कभी दाएं कभी बाएं झूलने लगा। इल्ली और चिड़िया का घर भी झूलने लगा। इल्ली भी पेड़ के साथ-साथ झूल रही थी। चिड़िया अपने घोंसले से बाहर आ गई। पेड़ बहुत जोर से दाएं-बाएं झूल रहा था। इल्ली को मजा आ रहा था। चिड़िया पेड़ के चारों तरफ उड़ रही थी। थोड़ी देर में हवा रुक गई। चिड़िया को घोंसले में जाकर राहत मिली। तोसीया और मिली फिर से खेलने लगे।

## Rhymes

- Two little dickie birds
- Growing me
- Five little monkeys
- Rabbits rabbits 123

## कवितायें

- चींटी और हाथी
- जंगल में जानवर
- हमारी बिल्ली

## Language & Literacy

### Reading Readiness Activities

- Theme related vocabulary-names of animals, care, shelter, friendly, pet, vet, wild.
- Sight words- I, am
- Letter recognition with the help of sandpaper letters and their sounds  
Kk- kit, kid, kite, kind, kettle, kitten, kennel, kangaroo.  
Bb- bat, bag, bin, bed, beg, bug, boy, ball, bear, bite, blue, black, boon, boil, bread, butter, brush, button, branch, butterfly.
