

## **NBT Mobile Book Van Visit – A World of Books at Our Doorstep!**

Dear Parents,

We are delighted to share that the **National Book Trust (NBT)** Mobile Van is visiting our school on **Monday, 5<sup>th</sup> May, 2025** during school hours! This exciting initiative brings a **mini book fair** right to our campus, giving our students a chance to explore and purchase books from one of the most trusted names in children's literature. 📖 ✨

### **What's Happening?**

Each class will visit the mobile van in a scheduled slot, where children can:

- Browse through age-appropriate books
- Take a round of the van with their teachers
- **Purchase books** if they wish to

### **Optional Book Purchase**

If you'd like your child to buy a book, please send **₹50 to ₹200** (as per your convenience) in a **labelled envelope** on the day of the event. Teachers will assist children during the purchase.

### **Explore in Advance**

You can visit the **NBT website** <https://nbtindia.gov.in> with your child to explore available titles.

**Please note:** Book availability depends on the mobile van stock. If a particular book is not available in the van, it **may not be purchasable on the spot**.

Warm regards,
